

Amendment to Alcohol Beverage License Application

I have applied for an alcohol beverages license with the City of Racine, and would like to amend my license application as follows:

- 1) Premises description shall state, "Building space of 4382 sq. ft., two outdoor fenced-in deck areas of 1000 sq. ft., adjacent parking lot to the west of the property, grassy area and walkway to the west and south of the property leading to the boat launches." No boat launches/slips may be included as part of the premises.
- 2) The parcel address for the premises shall state 209 Dodge Street, which now includes the parking lot to the west of the property, formerly known as 219 Dodge Street.

I understand that the above amendments will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.
