RE: Three-Party Design Engineering Services Agreement for Durand Avenue (STH 11) from
Kearney Ave. to Kentucky St., State Project ID: 2260-07-70

We have received a three-party agreement between Strand Associates, Inc. (the consultant), the City and Wisconsin DOT for the design services for the reconstruction of Durand Avenue (STH 11) from Kearney Avenue to Kentucky Street, State Project ID: 2260-07-70.

The design services agreement is in the not-to-exceed amount of \$1,133,045.31, with the City's share being \$226,609.06 or 20%, and the WisDOT share being \$906,436.25 or 80%. Funding for this project will be included in the 2012-2016 CIP Budget.

If the Committee agrees, the appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
