File Type: Resolution

Acquire Existing Drainage Easement near Batten Field and SC Johnson Hangar

Resolved, that the City is authorized to acquire from the Racine Commercial Airport the existing drainage easement located near Batten Field along the property line of 3400 Mount Pleasant Street and 3454 Mount Pleasant Street, property owned by Great Northern Corporation (GNC) and SC Johnson respectively.

Further resolved, that City is authorized to acquire from GNC and SC Johnson a temporary construction easement in the same area for the construction of a new regional storm water dry retention pond, and also acquire a permanent non-exclusive easement for maintenance of the same. It is also requested that the City Attorney's Office be authorized to draft the appropriate agreements and negotiate the acquisition of the above easements.

Fiscal Note: The cost to obtain the above easements would be only the fees to record the agreements with the Register of Deeds, \$30.00 per document.
