Public Works and Services Committee

From: John Rooney 
Assistant Commissioner of Public Works/City Engineer

Re: Amendment No. 1 to Contract 01-13 (K3-001) – PS Stormwater Utility, AECOM,
Consultant

We have received Amendment No. 1 to Contract 01-13 (K3-001) – PS Stormwater Utility, AECOM, Consultant. This amendment is in the not-to-exceed amount of \$25,000 to assist with resolving questions or modifying data used for storm water billing, assist with clarifying policy issues, credits or rebates, assist with maintaining the customer billing database, coordinating with City staff on updates, and provide billing information to staff, assist with estimating annual storm water utility revenue and updating the utility budget spreadsheet and provide other related services as requested. In addition, this amendment will fund additional grant development and BMP evaluations and long term planning development.

The original contract was approved under Resolution 13-0018 on 01/15/13 in the amount of \$25,000. Amendment No. 1 will bring the total of this contract to \$50,000.

Funding is available in Account 104.993.5450, Graceland Pond Dredging.

If the Committee agrees, the appropriate action would be to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
