## KANSASVILLE FIRE & RESCUE DEPARTMENT

Dover Township Racine County

Mr. Willie McDonald  
Belle Urban System  
1900 Kentucky St.  
Racine, WI 53405

Dear Mr. McDonald,

Per our Friday January 3rd phone conversation, the Kansasville Fire & Rescue Department would like to know if it is possible for us to request a bus or buses to be used to shelter citizens or responders at emergency scenes in the Town of Dover. This type of sheltering can make an important difference in extreme weather situations.

We recognize that there may be certain time delays in obtaining the bus/buses depending on the day of the week, time of day, weather etc. Please let me know of any costs involved along with any request/activation criteria required by the Belle Urban System for this type of service.

We would appreciate your thoughtful consideration of this proactive request. Please let me know if you need additional information before taking this matter to your commission. Thank you.

Respectfully,

John Dahms  
Assistant Fire Chief
