RE: Waiving of Formal Bidding for Aerial Imaging Services

Dear Ald. Weidner:

I am requesting that formal bidding procedures be waived for aerial imaging services for the Geographical Information System.

I would request that the Purchasing Agent be authorized and directed to negotiate with Pictometry International Corporation for the provision of these services, in the not-to-exceed amount of \$43,074.00, as there are not any competitors that can provide this level of service.

Funding to defray the cost of these services is available in the 2013 Capital Improvement Program.

Sincerely,

A handwritten signature in blue ink, which appears to read 'Mark H. Yehlen', is positioned above the typed name.

Mark H. Yehlen
Commissioner of Public Works
