Commissioner of Public Works/City Engineer

Ron J. Pritzlaff, P.E.
Asst. Comm. of Public Works

January 8, 2026

Alder David Maack
Public Works & Services Committee
Racine, WI

Dear Alder Maack:

As part of the 2026 Capital budget, DPW will be razing the McMynn Ramp.

The proposal K. Singh & Associates, if approved, provides for plans, specifications, and estimates as well as construction-related services.

Staff recommends approval of the professional services agreement submitted by K. Singh & Associates in the not to exceed amount of \$85,155. Funding is available in Org Obj 45040 57110. If the Committee agrees, the appropriate action would be to authorize the Mayor and City Clerk to sign the agreement.

Sincerely,

Ron J. Pritzlaff
Assistant Commissioner of Public Works
