Assistant Commissioner of Public Works/City Engineer

Re: State Municipal Agreement – State ID: 2990-14-00/70,  
State Street (STH 38), Intersection with N. Memorial Drive

Submitted for your approval is a State Municipal Agreement for State Project ID: 2990-14-00/70 State Street (STH 38), Intersection with N. Memorial Drive. The estimated cost for these improvements is \$709,123.00, with the City's share being \$79,912.00 and the Federal/State share being \$629,211.00.

The funding for preliminary engineering: Design is funded with 90% Federal funding up to a maximum of \$63,036.00, when the Municipality agrees to provide the remaining 10% and any funds in excess of the Federal funding maximum.

Funding for construction: Construction is funded with 90% Federal funding up to a maximum of \$566,175.00 when the Municipality agrees to provide the remaining 10% any funds in excess of the Federal funding maximum.

If the Committee agrees, the appropriate action would be to authorize the City Engineer to sign the agreement.
