RE: Change Order No. 1, Contract 19-07 (K7-022), 2007 CCTV Services & Manhole Inspections,
National Power Rodding, contractor

Attached is Change Order No. 1 on the above contract reflecting an extension of time to complete the work. There was a delay in processing the contract and additional work was given to the contractor and therefore we are extending the contract to August 31, 2007.

The original contract was approved under Resolution No. 07-0144 of April 4, 2007, in the amount of \$382,481.40. This change order needs no funding.
