

To Whom it may concern:

5-31-07

The Residents on the 900 Block of Mayfair dr., in Racine, Wi. are Requesting a stop sign at the Intersection of Monterey Dr + Mayfair dr. Many times, cars just fly around the corner, without any awareness of traffic on Mayfair dr. There are lots of children that play on this street and we fear one day the worst will happen. There also have been times, when backing out of the drive way, people do not stop at that corner and accidents almost happen. We would seriously appreciate if a stop sign would be put in, to hopefully avoid a tragic situation. Thank you for your time and consideration.

Kevin Barz
