

Nov. 19, 09

Dear friends,

I am writing to request to clear the public sidewalk parallel to my home on Washington (2716) across the street from the Racine Country Club for the following reasons:

1. On Nov. 10, 09 our back door was smashed & someone broke into our home & stole quite a few items. Several students hang out every day on the landing of the public sidewalk at least 6-8 kids. It happened between 11:12 A.M. because my grandson came home at 11:45 A.M. & found the door broken & open.

2. I've also had numerous broken glass in the area of deep cracks, stains, weeds city doesn't take care of.

3. Bus stop drops off many people & they litter my yard.

4. People have thrown food at my home too.

5. We were once told we had neighbors but could purchase the land for \$1.00 each but only with the stipulation we paid for breaking up the sidewalk. I don't of that this is possible. The break in was the final straw. Please take this problem with serious consideration. Thank you for your time.

Mrs. J. J. McElwee
