The first applicant on the list will be considered for the first available *regular* “Class B” license, when one becomes available.

When the first license becomes available, the necessary fees from the \$1,000.00 paid by the first applicant will be used to begin the application process for the regular license. If the application is approved by the Common Council, the license will be awarded. Any funds remaining after application will be deposited in the city treasury.

Applications are available at the City Clerk’s Office, City Hall, 730 Washington Avenue, Room 103, Racine, WI, or on the Department of Revenue website at [www.dor.state.wi.us](http://www.dor.state.wi.us).
