Mayor Gary Becker and the Common Council
730 Washington Avenue
Racine, WI 53403

Dear Mayor Becker and Common Council Members:

RE: 1135 Racine Street; Tax Key #08630000

Per our conversation with the County Treasurer, Betty Majeski, Racine Habitat for Humanity is asking the City to ask the County to transfer a small piece of **nonbuildable** property to the City. We would then like this property transferred to a Habitat family, Ivan and Blanca Hernandez.

The Hernandez family of seven purchased a home from Habitat at 1124 12th Street. Right behind this house at 1135 Racine Street is a small nonbuildable piece of property approximately 36 feet x 40 feet. Habitat would like the family to be able to have this property for off-street parking for the home at 1124 12th Street.

The tax key # is 08630000.

The address is 1135 Racine Street.

The legal description is:

N 36 FT 7 IN LOT 39

Thank you very much!

Sincerely,
