Re: Three-Party Agreement with the City of Racine, WisDOT and EMCS, Inc. for Consulting Engineering Services Agreement. For State Project ID: 2703-05-03, Spring Street from Fairway Dr. to STH 38.

We are submitting a three-party agreement between the City of Racine, WisDOT and EMCS, Inc. for the design engineering services for the above project. This agreement is for the consultant design services for the resurfacing of Spring Street from Fairway Dr. to 303 feet west of STH 38 and omitting from Valleyview Drive to a174 feet east of East Colonial Drive, this portion lying in the County's jurisdiction.

This agreement is in the not-to-exceed amount of \$391,862.66, with the City's share being \$78,372.53 and the State's share being \$313,490.13. Funding for the City's share was appropriated in the 2025-34 Capital Improvement Plan under Org-Object 45040-57500-40003.

Staff recommends that the Mayor and City Clerk be authorized and directed to enter into a professional services agreement with EMCS, Inc. and WisDOT.

Fiscal Obligation: The "Not to Exceed" amount for this agreement is \$78,372.53. The funding for these services is appropriated in the 2025 Budget in Org. 45040 Obj. 57500 – DPW Pavement.

If the Committee agrees, the appropriate action would be to direct the Mayor and City Clerk to sign and enter into the agreement.

JCR/kh
