Re: Amendment #2 for the Underground Facility Locating Services – Precise Underground Marking Corporation, Contractor.

We have received Amendment #2 from Underground Facility Locating Services – Precise Underground Marking Corporation of Milwaukee WI. To provide underground facility locating services for the City owned fiber optic and electrical systems. The amendment is for the extension of the existing contract with the per ticket price of:

- Pre Screens - \$13.07
- Locates - \$16.72
- Site Visits - \$16.72
- Emergency (during business hours) - \$28.19
- Emergency (after business hours) - \$57.01
- Projects - \$35.25

This extension is from January 1, 2023 through December 31, 2023 and represents a 3% increase from the 2022 rates. The estimated annual cost of these services is \$90,000 and has been appropriated in the 2023 budget under Org-Object 14012-52100, Light Professional Services.

If the Committee agrees, the appropriate action would be to approve the amendment to the original contract and authorize the Mayor and City Clerk to sign the amendment to the agreement.
