Honorable Members of the Racine Common Council,

This is a request for permission to connect to and be serviced by the City of Racine Stormwater Utility for the benefit of Countryside Humane Society's Animal Shelter located at 2706 and 2702 Chicory Road in the Village of Mt. Pleasant.

Increased demand for parking and existing drainage problems with the present parking lot has dictated modernization of the present parking and driveway layout. We have retained the firm of Nielsen, Madsen and Barber, SC to prepare engineering design calculations and drawings to solve the drainage problems.

Please let me know if additional information is needed.

Sincerely,

  
Robert J. Kelley, PE, RLS

Countryside Humane Society Board Member
