**Re:** Contract 43-14 (K4-043), PS-2014 Illicit Discharge Detection and Elimination (IDDE)  
Support Program, AECOM, Consultant

We have received a proposal from AECOM for the 2014 Illicit Discharge Detection and Elimination (IDDE) Support Program. The proposal is in the not-to-exceed amount of \$20,000. Funding is available in Account No. 104.000.5330, Monitoring & Detection. It includes the annual field testing, drainage, system review and follow-up investigation, meetings and summary.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the mayor and City Clerk to enter into the agreement.
