Racine Works Program (RWP) Payout Request

City of Racine Ordinance Section #46-41

Date: 10/10/2024

Contractor Name: Mid City Corporation

Department: Public Works Water/Waste Water Other _____

Project Name: Water Main Replacement Phase 1

Project Number: N/A

Munis Contract #: W-23-8

Total project hours: 4,985.25

Total RWP Hours: 111.25

City of Racine Residents: 5

RWP Certified: 3

RWP Compliance Percentage: 1.9%

- Contractor employed 3 RWP- certified residents
- Contractor had 5 city residents working on the project
- Contractor contacted the Union in March and April for assistance
- Contractor reached out to WRTP in April to inquire about workers
- Contractor hired workers in May, June, and July
- Project was a 4-month duration

Staff Recommendation:

Contractor achieved total RWP compliance of 1.9%, which is significantly below the 20% goal. However, contractor made every effort to connect with WRTP to employ RWP-certified workers. On multiple occasions workers did not show up or showed up and did not return. The last worker was interviewed in June, but not hired until July after the project ended. This individual has remained employed with the company. For these reasons, no penalty will be assessed.

I am recommending that this be approved for payout.
