

Amendment to Alcohol Beverage License Application

I have applied for an alcohol beverages license with the City of Racine and would like to amend my license application as follows:

- 1) Premises description shall include only the first floor bar and kitchen, and basement storage.
- 2) The other \$15K in income will come from the sale of cigarettes and vaping products. Customers will only be permitted to smoke and vape outside of the building.

I understand that the above amendment(s) will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.

Dated this 18 day of April, 2025.
