Subject: Parking lot reservations for National Championship Regatta

To the City of Racine Parks Department:

The Catamaran Racing Association of Wisconsin and the Racine Yacht Club are hosting the F16 Catamaran National Championships Friday, Aug 2 through Monday, Aug 5. We anticipate up to eighty boats with trailers and campers. As in years past, we have reserved the two parking lots to the south and west of the Racine Yacht Club. In 2010 we were permitted to use these lots for the same week in August, and were able to accommodate everyone. Campers and motorhomes were kept in the south lot, while boat trailers were kept in the west lot and on the southwest end of North Beach. If clarification of the area is needed, please let me know.

We anticipate teams arriving early, and therefore would like to reserve lots from Thurs, Aug1-Mon, Aug5.

I would like you to put this request on the agenda for the March 13th meeting.

Thank you.

Sincerely,

Gary Chu
