Hello Ms. Weidner,

My name is Jody Burlingame Wagner and my husband Richard and I reside at 5211 Athens Avenue, Racine 53406-4507.

I am a lifelong resident of the City of Racine.

I am writing to ask that the City of Racine please repair and bring Mound Cemetery's fountain back to life and restore it to new & operable condition. Once restored, **please ask the City of Racine to maintain it to retain it's beauty.**

The fountain has sat idle and not operable for many years. The fountain is very dear to me and my family as I have many family members that chose their final resting place to be in the crypts and near the Mound fountain as it brings much beauty, comfort, peace & tranquility.

This fountain was originally gifted to the City of Racine by the Wadewitz family back in 1961; therefore, it is a huge part of the Mound Cemetery history.

I thank you kindly,

Jody Burlingame Wagner
