June 20, 2017

Dear Administrators,

As promised in the previous letter you should have received last week, please find the confirmed updated Bike Course for the upcoming Ironman Racine 70.3 triathlon to be held on Sunday, July 16, 2017.

As you can see, the course is the exact same as 2016 minus the section west of County Road V. All parts of the course both before and after CR V do not change.

This updated Bike Course heads farther west into Raymond, cuts back a bit more south and then heads back east.

Race Director Ryan Richards held a meeting with representatives from city and municipal organizations on June 2, 2017. This is the course we had discussed and no one seemed to believe this route would be more disruptive than in years past.

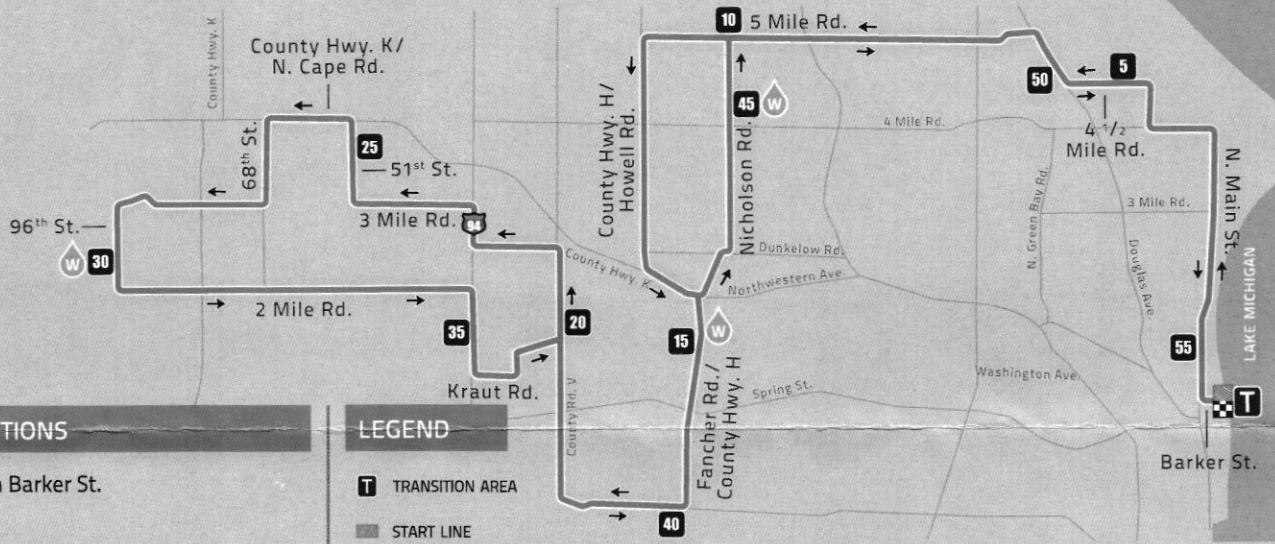

As always, if you would like me, a member of our staff, or Race Director Ryan Richards to come and speak with you or your board members at any time regarding the race, we'd be happy to do that.

I appreciate your time and if you have any questions, please contact me.

Sincerely,

Cari Greving
