Mayor Mason & Members of the Common Council
City of Racine

Dear Chairperson:

The City of Racine has received bids for the purchase of a sweeper/scrubber to ensure a clean and safe transit maintenance garage at 1900 Kentucky Street. In accordance with the City of Racine's purchasing procedures, the Finance Department submits the bids for your approval.

After review, staff recommend awarding the contract to Atlas Badger ToyotaLift in the amount of \$76,579, as they are the lowest responsive and responsible bidder meeting all required specifications.

This equipment will enhance safety by reducing slip hazards, extend the lifespan of the facility's flooring, improve air quality, lower labor costs, and maintain a professional and sanitary work environment.

The purchase is funded through an 80% federal and state grant, with a 20% local match. Funding for this acquisition is available in the following account: \$76,579.00 – 60282013-57300 Equipment

Sincerely,

Trevor Jung
Transit & Mobility Director
