Subject: Communciations

Gentleman,

I have several communications to add to subsequent agendas, but I wasn't sure where each would best be designated. Please feel free to use this thread to determine which committees would best suite each topic.

1. A proposal to authorize city staff to hold informational sessions about the event center in each of the 15 aldermanic districts, to be arranged by the respective alderman/women. (Committee Of the Whole?)
2. A comprehensive review/modification of streetlight/removal and installation policy. (Public Works?)
3. A comprehensive review/modification of alley maintenance policy. (Public Works?)
4. Discuss policy on Women/Minority Business Enterprise expectations/standards for the event center project. (Committee Of the Whole?)

Thank you.
