

Amendment to Alcohol Beverage License Application

I have applied for an alcohol beverages license with the City of Racine and would like to amend my license application as follows:

Premises description shall state, "Liquor invoices will be kept in a file cabinet behind the liquor department. The liquor department is located to the right of the main entrance. All alcohol will be in the marked liquor department and attached storage warehouse to the liquor department."

I understand that the above amendment(s) will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.

Dated this 26th day of July, 2025.
