Attachments: FFY 2018-2019 5339 Statewide-Small Urban letter for Urban systems.doc

All:

We received a formula grant (Fed dollars distributed through the State) of just short of \$1 million Fed for two conventional buses and a new dispatch system. (This is the best we've done with this grant in my experience.) We'll add the two buses to our current order of two buses from Gillig. We really need these. The dispatch system was already in the city capital budget so that represents a savings for the city. {Although we could really use the money for new two-way radios and cameras on the buses.}

We usually hear about these grants in March, but with State took an extra three months with everything going on.

Subject: 2020 5339 Capital Awards

Good afternoon, everyone!

Here are the 2020 5339 Formula capital awards for CY 2020! The following document will need to be included with your 5307 applications in TrAMS.

You will note that the funds are split for a couple of systems between FFY 2018 and 2019, or between the Small Urban and Statewide pots of 5339 funds. Please work with your FTA representative on how best to reflect those splits in your grant application, if applicable.

Here is the breakout of funds by project – though you are free to change these amounts slightly in your TrAMS application as long as you do not exceed the total or significantly change the scope of the projects.

Have a good weekend!

Transit System	ALI	ALI DESCRIPTION	QTY	TOTAL	FEDERAL	LOCAL
Chippewa Falls	11.12.15	Purchase Replacement Van	1	\$40,000	\$32,000	\$8,000
Fond du Lac	11.12.04	Purchase Replacement <30-ft bus	1	\$69,000	\$55,200	\$13,800
