Re: Contract 20150046 PS – Design of the Washington Avenue Bridge Sidewalk Replacement

We are submitting a proposal from Ayres Associates, for the above contract. The scope of services includes the preparation of drawings, technical specifications, opinion of probable construction cost for replacing the sidewalks on the Washington Avenue Bridge, supply plans and technical specifications for the City's use in bidding the project.

The agreement is in the not-to-exceed amount of \$6,400. Funding is available in Org-Object 14007-52100, Brdg-Professional Services.

If the Committee agrees, the appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
