

Amendment to Alcohol Beverage License Application

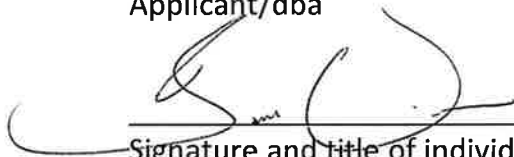

I have applied for an alcohol beverages license with the City of Racine, and would like to amend my license application as follows:

- 1) The premises will operate as a combination grocery store and tavern, rather than a bar.
- 2) Hot food will be served on the premises, once the Health Department issues a restaurant license.
- 3) The agent will be Karim Qedan, rather than Gurminder Singh.

I understand that the above amendment(s) will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.

Dated this 6th day of October, 2022.
