April 17, 2014

Mayor John Dickert
Members of the Common Council
c/o Janice Johnson-Martin, City Clerk

Subject: Request by Great Lakes Community Conservation Corps for an option to acquire the vacant city-owned lot at 1923 Mead Street for construction of a single family home.

Dear Mayor Dickert and Honorable Aldermen:

The Great Lakes Community Conservation Corps has requested an option on this vacant residential lot. Securing the option will allow Great Lakes CCC to continue raising funds for the construction of an in-fill single family home on the property. The construction would be done by young adults participating in a training program. The option would be for an eight month period, through the end of 2014.

I respectfully ask that this matter be referred to the Loan Board of Review for its review and recommendation.

Sincerely,

A handwritten signature in blue ink, which appears to read "Brian F. O'Connell", is written over the typed name and title.

Brian F. O'Connell
Director of City Development
