June 22, 2015

Legistar Item: 15-00585

Ald. Jim Morgenroth, Chairman
Public Works and Services Committee
Racine, WI

Dear Ald. Morgenroth:

I am requesting that formal bidding procedures be waived for the replacement of the VFD (Variable Frequency Drive) to the Metasys Control System at the Safety Building.

Since the City of Racine has implemented the Johnson Controls, Inc. Metasys Control System, they are a sole source for these materials and I recommend that formal bidding procedures be waived and this contract be awarded to Johnson Controls, Inc. to maintain proper operation of the Metasys Control System.

Funding to defray the cost of these service changes is available in Org-Object 45040-57210, Safety Building-Replace VFD.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Tom Eeg', is positioned above the typed name of the sender.

Thomas M. Eeg, P.E.
Assistant Commissioner of Public Works/Operations
