Chairman, Finance and
Personnel Committee
Racine, Wisconsin

Dear Ald. Spangenberg:

We have completed plans and specifications for the remodeling of the buildings located at the Police Department Impound Lot. The scope of the project includes the complete removal of the metal roofing and metal panels, the construction of a 2-bay car inspection area with small office and bathroom area, and indoor long term cold storage.

The project is estimated at \$572,000.00 and funding has been identified as outlined in the memo you received from David Brown.

If you have any questions concerning this project, I would be more than happy to address them.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Jones", with a long horizontal flourish extending to the right.
