Re: B1 Zoning

City of Racine Common Council,

We would like the Council to consider including "tattoo parlor if in conjunction with a principal use or conditional use buisness" under Racine, WI, Code of Ordinances, Chapter 114 - Articial 5 District Regulations - Division 3 Buisness District - Subdivision 4 - B1 Niehborhood Convenience - Section 114-447.

We would like to open a cafe/coffee shop in conjunction with a tattoo parlor and tattoo retail outlet as part of a mixed use project at 2501 Douglas Ave. The tattoo parlor will be separate from the cafe for health provisions.

Thank you for your consideration.

Sincerely

Christina M. Waldow
