Subject: Homelessness Awareness Demonstration

Hi Mr. Weber. How are you? I met with Cheryl Buckley, the executive director of HALO, yesterday. I had contacted her about an educational demonstration I wanted to organize. I had been interested in having people sleep in boxes, for a night, in order to raise awareness of homelessness in Racine. I am also planning on having signs around the site giving statistics about homelessness in Racine and also some posters telling people how to become involved and help. I also plan on having bins for people to drop-off things like deodorant, brushes, etc. It was pretty neat because it turns out that the center before HALO had an event similar to what I am planning, and HALO had been looking for someone to spearhead something like that. Cheryl suggested that a good location might be on the lawn of City Hall. We were wondering if it was possible to hold this on Friday, Nov. 7. We would spend the night of the 7th and then pack up in the early afternoon of the 8th. I was wondering if I could talk to you about how to secure the site. You can either e-mail me at this email address, or call my cell phone at 262-497-1859. Thanks so much!

Sincerely,  
Laura Feider
