

BOARD OF HEALTH MEETING
June 14, 2011

DEPARTMENT: Environmental Health

PREPARED BY: Marcia Fernholz, Director of Environmental Health

MONTH: May 2011

Highlights

Date	Meeting	Purpose	Outcome
May 04, 2011	Interim Pharmaceutical Stockpile (IPS) Webinar	Determine changes to WI Division of Public Health (DPH) distribution procedures for utilizing the IPS	The IPS is a cache of antibiotics managed by the DPH that is accessible to WI local health departments and hospitals for post-exposure prophylaxis during emergency events. Changes were incorporated into the City of Racine Health Department Mass Clinic Plan.
May 05, 2011	Cities Readiness Initiative (CRI) exercise meeting for controllers and evaluators	Provide direction to participants serving as evaluators and controllers during the June 15, 2011 CRI exercise	The WI DPH presented an overview of the CRI exercise and described the roles and responsibilities for the exercise evaluators and controllers. This was a necessary meeting.
May 25, 2011	Pertussis update webinar	Viewing of the WI DPH webinar on Pertussis updates / state statistics / data entry into the Wisconsin Electronic Disease Surveillance System (WEDSS)	Pertussis is a Category I Disease and must be reported immediately to local health departments when a case is suspected. Specific information must be collected / reported during the epidemiological investigation. This information is then entered into the WEDSS. This was a very useful presentation.
