

Narrative

The Racine Yacht Club has been chosen to host the T-10 North American Championship, sail boat regatta. It will be held August 15, 2020 through August 24, 2020. It is expected that we would have 20 boats from the Chicago, Milwaukee area and 10 boats visiting by trailer from Lake Huron and Lake Erie.

I am asking if I could reserve the two parking lots by Rooney Park and the parking lot near the water department across from the yacht club entrance from August 15, 2020 to August 24, 2020. Please see the attached diagrams.

The parking lots would be used to park RV's, campers, and vehicles. The Racine Yacht Club will have additional Porte-Potties available, in addition to the yacht clubs bathrooms and shower facilities. Tents will be set up at the Racine Yacht Club, not in the park.

The boats visiting by trailer will be launched at either Pugh Marina or Racine Riverside Marina. Their trailers will be stored for the duration at the marinas.

At no time will anything be parked on the lawn area. Racine Yacht Club and the T-10 committee will monitor this area to ensure it will be free of anything. It could be possible that sails would be laid on the lawn, with supervision, for a short period of time if they were wet, or needed repair.

The Racine Yacht Club and T-10 committee will be responsible for all clean up. The areas will be free from debris and in the same order as they were found.

Schedule

- | | |
|-----------------|---|
| August 15, 2020 | 9AM Rv's, Campers, and Vehicles may begin arriving and may stay overnight until the T-10 North American Championship sail boat regatta is over. |
| August 24, 2020 | 10AM The parking lots will be in clean order, free from all debris. |

*Thank you,
Amy Cernak*
