RE: CMAQ Agreement for Signal Interconnect & Signal Timing, 6th Street, North

We have received a CMAQ project agreement from the Wisconsin DOT for inclusion in the Congestion Mitigation/Air Quality Improvement Program for 2008-2010.

The estimated cost of the construction is \$598,000, with \$478,400 of federal funds through CMAQ and the City's share being \$119,600. This project is in the 2010 CIP.

If the Committee agrees, appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
