City Engineer

Re: Preliminary Resolution for Paving Assessable Streets and Alleys.

**Subject: Communication** Sponsored by Alder Davis, on behalf of the Commissioner of Public Works, submitting the following alley to be included in the 2025 Public Hearing for 2026 Construction.

**Staff Recommendation to the Public Works and Services Committee on 03-11-25:** That the following alley bounded by:

- 20<sup>th</sup> St. - Dekoven Ave. and Case Ave. – Jay Eye See Ave. E-W

as submitted by the Commissioner of Public Works, be considered for the reconstruction with Portland Cement Concrete Paving and that a preliminary resolution be introduced.

**Fiscal Note:** This is an assessable alley project and, therefore, all costs will be paid by the abutting property owners.

If the Committee agrees, the appropriate action would be to approve the preliminary resolution to start the assessable process of a Public Hearing for the alleys listed above.
