Racine City Attorney's Office  
730 Washington Avenue  
Racine, WI 53403

Dear Ms. Salvo,

Per your request, I am writing on behalf of Real Racine to use the former Walker's site for two purposes for our Ironman 70.3 Racine event on Sunday, July 15:

- 1) Storage for all race supplies and trucks during the week of the event (Monday, July 9 through Monday, July 16.) This lot will be monitored around the clock by Ironman staff personnel.
- 2) Parking for athlete and spectator vehicles on Sunday, July 15. The parking lot will be manned by volunteers assigned by Real Racine.

Real Racine understands that will pay the city \$1.50 per vehicle that is parked in the lot on race day.

Thank you for your consideration and support in helping us make this event a success.

Thank you,

Kari
