RENTALS

Involvement Fair	4/12	12 Noon - 2:00 pm
------------------	------	-------------------

HIGHLIGHTS (TOP 3 OF THE MONTH)

Saturday April 5th - we brought Zumba back to the King Center. This is a work in progress and something I have been working on for a while I was able to partner with Miketra Larry and got things rolling. Zumba will be every other Saturday from 9:00 am to 10:00 am A schedule will be posted on our recreation website and at the community centers

Saturday April 12th - Carthage college and the Planting Seeds for Success program hosted an amazing Involvement fair. This fair brought together numerous vendor and organizations from the area. Outside of the helpful resources, we had games, food, music and entertainment for everyone who attended.

Thursday April 17th - We hosted our first city wide Easter egg hunt. Despite the weather we were able to get a nice crowd out to Pierce Woods Park. Alder Land and roughly 150 kids and parents participated. Every kid that attended received a candy bag and tickets for numerous raffles. Playground Leaders played games with Leaders played games with the kids until the hunt started, firefighters brought over a truck and let the kids tour, and the Easter bunny made a special appearance! We look forward to expanding this event next year!

PARTNERSHIPS

I was able to secure a couple more partnerships this month. The first one solidified was with Miketra Larry and Zumba. I believe this event will Continue to grow and see added days in the future

Open Mynd Outreach and myself are working on a major project for youth ages 5 to 15. I am very excited to see where this partnership takes us. Outside of this event we are working on programs that can benefit all ages of people throughout the city. Regular programming ideas such as Financial Literacy, Culinary Arts, Entrepreneur Classes, and senior arts and crafts are being discussed.

ASSIGNED PROGRAM(S) UPDATE

Hot Summer Nights is planning to throw a curve ball to the people. Brainstorming and mapping out some changes have begun. This year I plan on hosting three free music events at the King Center that will be welcoming to all age groups. Outside of the music, we plan on having vendors, food, and other sources of entertainment! Dates will be coming soon.

Youth Hoops has decided to hold two basketball camps prior to our league play. The camps will be August 2nd and October 4th for youth in grades 1 - 8. These camps are intended to introduce and enhance the fundamentals of basketball and help our youth program now.

LOOKING TO THE MONTH AHEAD

I'm excited to kick off our youth entrepreneur workshops with Open Mynd Outreach on May 21st. These workshops will be pushing the kids to think, interact, plan, converse and execute. The goal is to get these kids ready for the real world and hopefully become successful business men and women.

On May 31st Royal Dance Factory will be using our building for a dance competition comprised of several local dance teams.
