CITY ENGINEER

Subject: Request for removal of parking restrictions on Young Court

Dear Mayor Dickert:

Because of dramatically increased company employment, Reliance Controls Corporation immediately needs additional parking space for our employees and visitors.

The most expeditious solution to our problem would be to remove the current parking restrictions on Young Court.

It appears that there are no parking restrictions on the other streets in Young Industrial Park, particularly Melvin Ave. and William St., which have cars parked at the curb during normal business hours.

If you could direct this request to the proper person, or let me know how I should proceed otherwise, it would be greatly appreciated.

I can be reached during the day at Reliance Controls Corporation, 2001 Young Court. My direct phone is 898-3802.

Thank you for your consideration.

Yours very truly,

RELIANCE CONTROLS CORPORATION
