Re: Racine Revenue Sharing Study

Dear Mr. Tillis:

Ruekert & Mielke, Inc. (R/M) appreciates the opportunity to work with Racine Wastewater Utility. We propose to calculate the revenue sharing and library, zoo, and museum payments for 2024.

Proposed Project Timeline

R/M will complete the Final Report by June 23, 2023, provided all necessary data is available. If it is not available by then, we will complete it within two business days of it becoming available.

Proposed Compensation

R/M proposes to undertake this work for our standard fees, not to exceed \$9,900. We would exceed this amount only upon your written direction to perform additional work.

Scope Assumptions

R/M would provide the proposed professional services according to the existing Terms and Conditions we have agreed to with Racine Wastewater Utility. We will update the discount formula for Sturtevant this year due to the land transfer as needed. Please accept this agreement by having the appropriate authorized officials sign where indicated and return a fully executed copy to our office.

We look forward to working with you on this project. Please feel free to call with any questions related to this proposal.

Respectfully,

RUEKERT & MIELKE, INC.
