Subject: Request Temporary "No Parking" Restriction

S.C. Johnson & Son, Inc. is submitting a request for temporary "No Parking" to be put into effect on the north side of 16th Street between Grand Avenue and Franklin Street. This section is adjacent to the south edge of our headquarters campus. For the next two years, during construction of a new building on our campus, it is necessary for us to open a vehicle traffic gate located at 16th Street and Center Street. The current sightline when exiting at this gate is blocked in both directions if cars are parked along the north side of 16th Street.

The request would be effective immediately and continue through the end of June 2009.

If you have questions or need further information, please don't hesitate to call me.

Respectfully submitted,

Chuck Boles
