Dear Honorable Mayor Cory Mason and the Members of the Common Council,

The Revitalization Team of Visioning a Greater Racine has been working diligently to revive the Uptown area, creating a pleasant gateway to downtown. One of the areas needing improvement is the sculpture located at 1247 Washington Ave. With your permission, we will have the sculpture professionally powder coated by a local Uptown company. The sculpture would be removed, painted, sealed, and re-installed. The new powder coating is projected to last approximately ten years. The funding for this project (estimated at \$1,800 - \$2,000) will be provided by the Visioning a Greater Racine Revitalization Team through fundraising and local sponsorship. Thank you for your consideration.

We hope that together, we can continue to beautify Uptown.
