Mayor Gary Becker
Racine City Council Members
730 Washington Avenue
Racine, WI 53403

Dear Mayor Becker and Racine City Council Members;

As a component to the city-wide community Earth Day event on April 26, the Eco Fair committee is organizing an Eco-Fair. The committee is working with the Volunteer Center, organizer for Earth Day. Businesses and community groups focused on the environment will be invited and will have an opportunity to exhibit their products and share their organizational information from 11:30 – 2:30 pm. The Eco Fair committee would like to request the use of the State Street Train Depot on the city's Transit site.

There is no charge for the public to participate in the fair and exhibitors will not be selling any product(s.) The Train Depot would be open to the general public during this time frame.

Thank you for your consideration of this request.

Sincerely,

Bonnie B. Prochaska
