Re: Caledonia Force Main Repair – Michigan Blvd.

Dear Mr. O'Connell:

In follow up to our conversation Visu-Sewer is under contract to perform repairs on the Village of Caledonia's Force Main the runs within the City of Racine down Michigan Boulevard. The majority of our work is on Michigan from Hubbard south to Dodge Street. Based on this Visu-Sewer & Reesman's Excavating (Visu's sub contractor) are requesting permission to store equipment and materials at the former Walker site.

The time period we are looking to use the site would be from January 26, 2009-May 15, 2009. Should you have any questions regarding this request please contact me at 262-695-2340.

Sincerely,

VISU-SEWER, INC.
