RE: Extension of Juror Parking Agreement with Racine County Clerk of Courts

Dear Chairman Ganaway:

Attached is a Juror Parking Survey conducted by the County Clerk of Courts pursuant to the request of the Transit and Parking Commission at the November 2008 meeting.

The monthly costs were simply calculated with the results of the 2009 survey which indicated how many half-day and full-day jurors actually parked in metered spaces. The County and City do not know if the half-day or full-day jurors stay more or less than 4 or 8 hours, respectively, so the assumption is that they stay 4 or 8 hours. The rates of \$2.00 per half-day and \$4.00 per full-day were used with these survey numbers.

Based on the survey, the number of jurors parking at meters is comparable to 2008, so I would recommend the monthly fee remain at \$570.00/month, the 2009 rate, and that the Transit and Parking Commission approve this rate along with a 12-month extension beginning January 1, 2010 and ending December 31, 2010. A similar survey should be provided to the City by November 15, 2010 for discussion on extending the agreement past December 31, 2010. This agreement will generate \$6,840 in revenue in 2010, which is the same as the current agreement.

Very Truly Yours,

Thomas M. Eeg, P.E.
Assistant Commissioner of Public Works/Operations
