Alderman Sandy Weidner
Traffic Commission Chairman

Dear Chairman Weidner,

Please consider this request from Woodland Alloy Castings 1222 - 18th street for a stop sign on Clark Street at the intersection of 18th street. This request is being presented to the Commission on short notice in the hope that, with approval, it can be installed before the ground freezes.

Woodland Castings, a business on 18th street is requesting a stop sign on northbound Clark Street at 18th street. Currently it is an uncontrolled intersection. Alderman Sarrazin and I have visited the site and both of us recommend that the Traffic Commission approve this request. Woodland cites the high traffic at opening and closing time, coupled with the traffic into and out of Woofdorf- Astoria dog hotel and day spa (1308 18th Street) as a reason for the sign. Fortunately, there have not been many accidents at this intersection, but Woodland reports that there have been numerous near misses.

Thank you for your consideration of this request.
