

Johnson Park Tee Time Policies

Except for weekend seasonal tee times, leagues, or outings, all other tee times can be reserved one week in advance only. (*For example: the tee sheet for Monday, May 14 will be made available when the golf shop opens on Monday morning, May 7.*)

Those wishing to make a tee time will be required to give their last name or first name and last initial, the number of golfers in the group, and the number of holes being played.

Tee times can be reserved for 2-5 people for nine or eighteen holes. Tee times are for the front nine only (back nine is first come-first serve and only when available). No tee times will be given to single golfers. Singles will be told to check in with the starter or golf shop attendant upon arrival, and will be joined with a twosome or threesome or will be sent out as a single at the earliest available opportunity.

Any request for three or more consecutive tee times is considered an outing. All outings must be arranged through management.

Weekends/Holidays* before noon

Tee times for nine holes before noon on weekends and holidays are generally not allowed. However, depending on weather, time of year, and other variables, exceptions may be granted by Johnson Park staff in accordance with management.

Any requests for nine-hole tee times will be given the following options:

1. The back nine is available up until the first 18-hole group of the day finishes the front nine (usually between 7:30 and 8:00 depending on the time of year). Anyone may tee off on the back nine on a first come - first serve basis during this time.
2. Call the evening before the day you want to play and any available tee times can be reserved for nine holes at that time.
3. Shoop Park and Washington Park are 9-hole courses with plenty of open tee times available, during times that Johnson Park limits nine-hole rounds.

Leagues, Outings, and Weekend Seasonal Tee Times

All tee times in these categories must be made through management with signed contracts. Preference is given to previous years' tee time holders. Any new requests for leagues, outings, or weekend seasonal tee times will be given all available and reasonable options. If the request cannot be met, the requester will be put on a waiting list for any openings that become available in future years.

**Holidays include Memorial Day, Independence Day, and Labor Day*
