Assistant Commissioner of Public Works/City Engineer

Re: State of Wisconsin DNR Grant – Repaving of the 5th Street Boat Launch (Grant Control
No. 2012-018)

We are requesting authorization to accept a Wisconsin DNR Grant for the Repaving of the 5th Street Boat Launch. This grant will help fund parking lot improvement that will be made to the 26-year-old boat launch. Work will include removing and resurfacing the asphalt parking lot, curb and gutter repairs, pavement marking, signage, landscaping, stormwater management and electrical upgrades for lot lighting.

The total project cost is \$250,000 with 45% of the grant funding available in the amount of \$112,500, and 55% local share in the amount of \$137,500. The local share for this project will be budgeted by the Park, Recreation and Cultural Services Department in the 2013 Capital Improvement Program.
