To: Alderman Mollie Jones, Chair  
Public Works and Services Committee

From: Ara P. Molitor  
City Engineer

Re: Preliminary resolution for paving assessable streets.

DPW Staff recommends the introduction of the preliminary resolution for paving the following streets:

Belmont Avenue	from Eisenhower Dr. to Spring St.
Eaton Lane	from Rapids Dr. to Romaine Ave.*
Eaton Lane	from Romaine Ave. to Cul-de-sac*
Olive Street	from Grove Ave. to Dead End
Olive Street	from Illinois St. to Oregon St.
Roosevelt Avenue	from Cul-de-sac to Byrd Ave.
Thunderbird Drive	from Dead End to Marquette St.
Winthrop Avenue	from Carpenter Ave. to Gates Ct.*

\* Coordination with the Village of Mt. Pleasant required.

**Fiscal Note:** These are assessable city projects; all costs will be paid by the abutting property. The Village of Mt. Pleasant has agreed to improve their portion of the Eaton Ln.(2) and Winthrop Ave. in conjunction with the City's construction projects if approved.

If the Committee agrees, the appropriate action would be to approve the preliminary resolution to start the assessable process of a Public Hearing for the streets listed above.
